## **Mozart, Martinis, Massages**

The Sydney Symphony has launched a range of lifestyle concert tickets for its series of performances known as *Mozart in the City* which are tailored to suit inner-city professionals.

The concerts, held at the City Recital Hall Angel Place, start earlier in the evening (7pm), finish by 8pm, carry a cheaper ticket price and feature lively repertoire, making them the perfect dose of mid-week culture. Now the experience is being enhanced with ticket packages that make the experience even more enjoyable.

Catering to Sydney's style-set, the **Mozart Martini** ticket includes a pre or post-concert martini at the stunning Crystal Bar in Martin Place (If the classic martini isn't your drink of choice, a selection of alternative cocktails are available).

For those that boast exquisite taste, the **Taste of Mozart** ticket includes a selection of wines and cheeses from Sydney hot-spot, the GPO Cheese and Wine Room in Martin Place. Ensuring you receive only the very best, the selection has been expertly matched in advance by the sommelier and fromager at the venue.

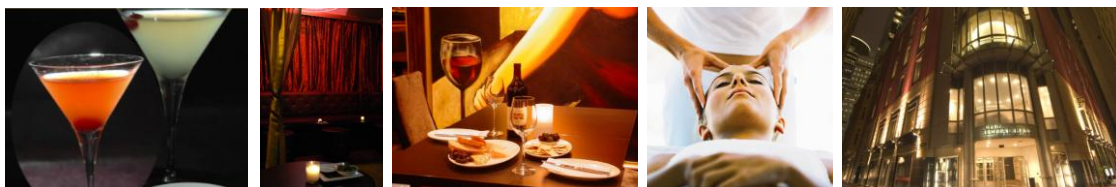

For anyone wanting a tasty bite to eat before the concert, the **Mozart Ticket + Tapas** package includes 2 tapas dishes and a glass of wine as Postales, also at GPO.

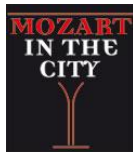

Alternatively, for those seeking a more relaxed option, the **Mozart & Massage** ticket includes a 30 minute customised massage or Dermalogica facial at the stunning Endota spa in Martin Place, valid for up for two months after the concert.

Whether you're looking for a way to impress someone with a sophisticated night out on the town or a stylish evening out with friends in the city, the *Mozart* lifestyle tickets are a perfect option. Why not spend a night enjoying fine music from Australia's premier orchestra while also enjoying the fine experiences Sydney has to offer.

*Mozart in the City* lifestyle tickets are priced from only \$50 and can be purchased by phoning the Sydney Symphony Box Office on 02 8215 4600. Further information can be found at [sydney-symphony.com/mozart](http://sydney-symphony.com/mozart).
